Careers and Employability

» Employability and Careers Centre

Specialist advisors at the University will prepare students for the Professional Training placement, ensuring that they have access to best learning opportunities and the tools to impress in a competitive graduate job market. 39% of students who take part in a professional training placement are offered a job to come back to once they graduate.

» 96% employability, HESA 2020

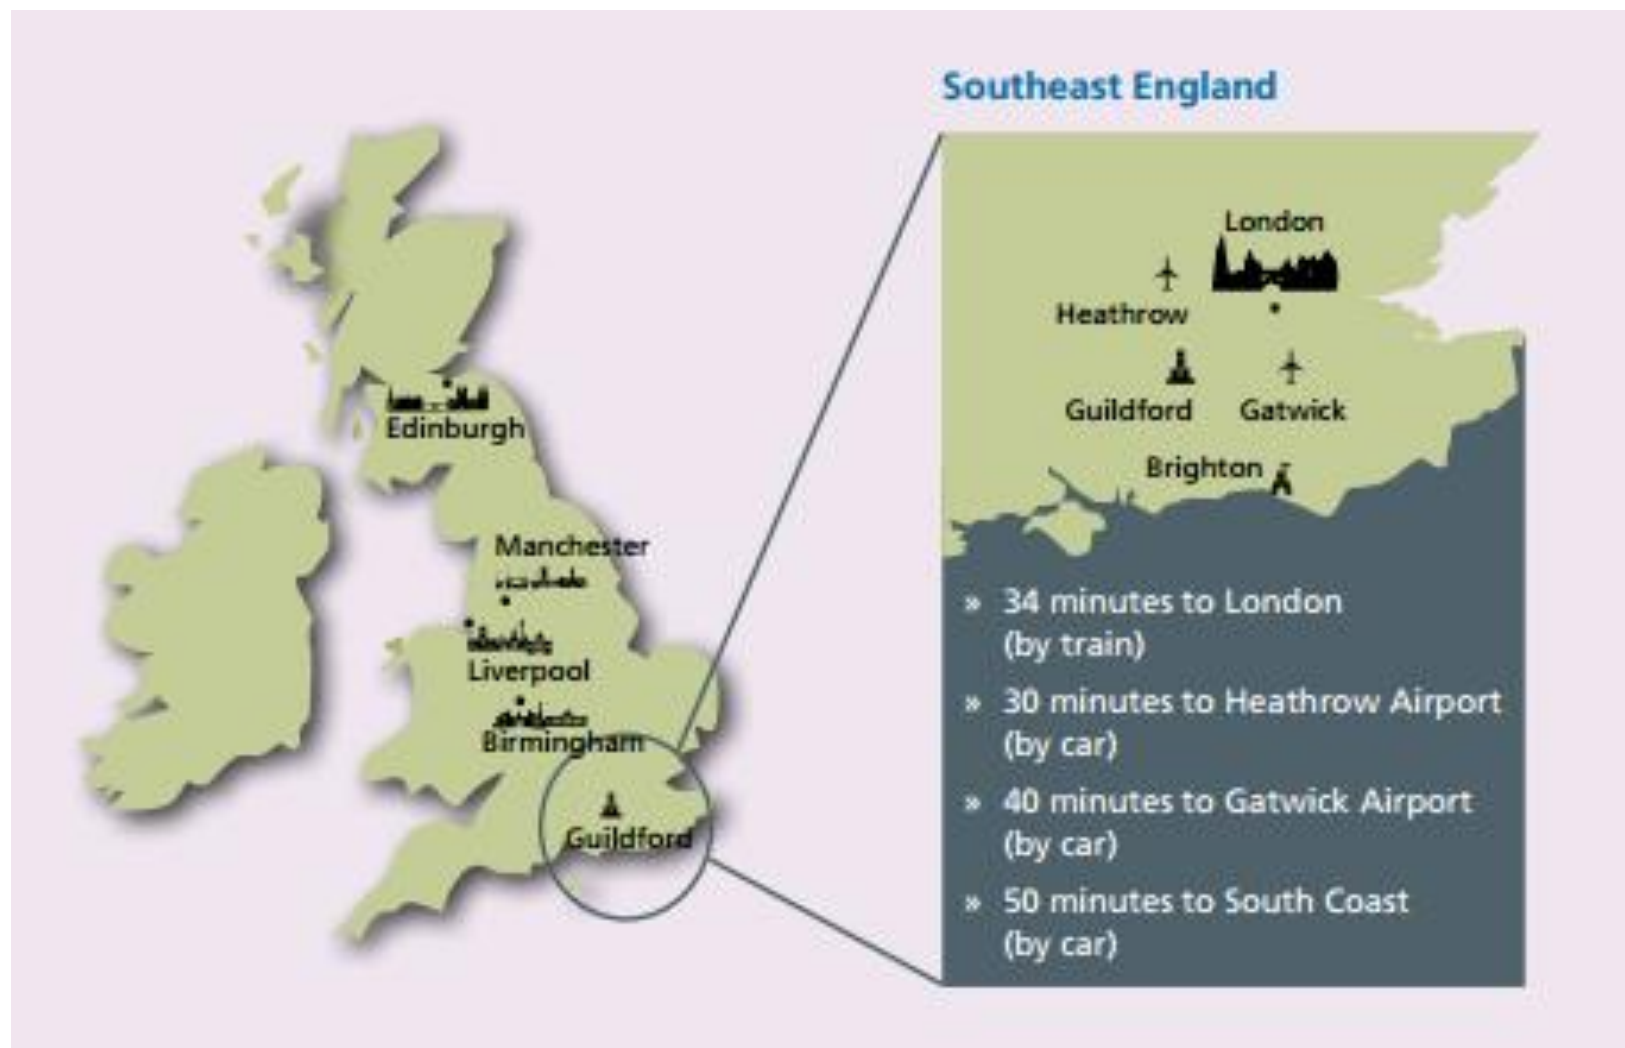

The University offer a range of support to help students develop the skills that employers demand.

» 2,300 work placement partners

The Professional Training placement programme offers students real world experience with high profile placement partners including HSBC, Ernst & Young, British Airways or IBM.

IFY International Foundation Year

Business, Economics, Law and Social Sciences

The Business, Economics, Law and Social Sciences route provides the subject knowledge, language proficiency and study skills required to progress to degree study at the University of Surrey in a related field.

Progression degree options include:

- » International Hospitality and Tourism Management
- » Accounting and Finance
- » Business Management
- » Economics
- » Sociology
- » Psychology

For more information, including a complete and up-to-date list of progression degrees and entry requirements, please visit [our website](#)

» CORE MODULES

» ACADEMIC ENGLISH SKILLS

Academic English Skills aims to provide you with thorough training in language and related academic skills, enabling you to best achieve your academic potential at University. These skills include the processes of academic writing, effective and extensive reading strategies, effective participation in seminars and delivery of presentations, and listening to and recording information effectively from lectures. You will also develop the accuracy and range of written and spoken language required to use language effectively and appropriately, with clarity and confidence in an academic context.

» BUSINESS STUDIES 1 & 2

These modules will provide an understanding of the nature and scope of business in society. You will look at the key issues facing new business and best management processes with modules focussed on effective management and corporate social responsibility

» ELECTIVE MODULES

» ACCOUNTING 1 & 2

During these modules you will learn about the role of accounting in business and the need for financial information. You will learn about the different formats for presenting accounting information and the regulatory framework for presenting accounting information.

» ECONOMICS 1 & 2

These modules will introduce you to the basics of economics, from the behaviour of individuals to the national and global economy. Students will gain a better understanding of free market and the role of government in economy.

» LAW 1 & 2

In these modules you will look at the core principles, rules, concepts and structure of the English Legal System, Contract Law, Consumer Protection and the Tort of Negligence. These modules will provide an understanding of how to cite legal authority and use legal reasoning to analyse problems.

During these modules you will learn about the core aspects of society as culture, family, religion and education. The main sociological theories and perspectives and their contribution to the study of society and social change, as well examining global development, political power and institutions, mass media, crime and punishment.

Engineering and Physical Sciences

“It was a smooth transition to first year of university and I managed to score high grades because of the ISC”

Jameel from Saudi Arabia

The Engineering and Physical Sciences International Foundation Year leads to a wide range of degrees in engineering, science and mathematics-related subjects at the University of Surrey.

Progression degree options include:

- » Chemical Engineering
- » Civil Engineering
- » Computer Science
- » Mathematics
- » Physics

For more information, including a complete and up-to-date list of progression degrees and entry requirements, please visit [our website](#)

CORE MODULES

» ACADEMIC ENGLISH SKILLS

Academic English Skills aims to provide you with thorough training in language and related academic skills, enabling you to best achieve your academic potential at University. These skills include the processes of academic writing, effective and extensive reading strategies, effective participation in seminars and delivery of presentations, and listening to and recording information effectively from lectures. You will also develop the accuracy and range of written and spoken language required to use language effectively and appropriately, with clarity and confidence in an academic context.

» APPLIED MATHEMATICS 1 & 2

During these modules you will study the relationship between real life situations and mathematical models. You will learn about friction, energy and power, while working to deepen your understanding of the role of mathematics in the world.

» PURE MATHEMATICS 1 & 2

In these modules you will develop your knowledge of algebra and calculus while learning about functions, derivatives and integrals, sketching graphs and applying mathematical facts to real world problems.

SUBJECT SPECIFIC MODULES

» CHEMISTRY 1 & 2

These modules introduce you to formulae, equations and moles, atomic structure, introduction to redox systems, thermodynamics and bonding. You will also cover equilibria, acid-based equilibria, kinetics and organic chemistry

» PHYSICS 1 & 2

In these modules you will study the fundamentals of physics by looking at sound, electromagnetic waves and the structure of the atom. You will also cover electrical currents and magnetic fields.

Life Sciences

The Life Sciences pathway leads to a wide range of degrees in biology and chemistry-related subjects at the University of Surrey.

Progression degree options include:

- » Biochemistry
- » Biological Sciences
- » Food Science
- » Microbiology
- » Nutrition
- » Veterinary Biosciences

For more information, including a complete and up-to-date list of progression degrees and entry requirements, please visit [our website](#)

“The ISC was the start of my time at the University of Surrey. Basically, they prepared me for all the work we were going to get in the first year and that helped a lot”

Abdulla from Bahrain

Life Sciences Modules

» CORE MODULES

» ACADEMIC ENGLISH SKILLS

Academic English Skills aims to provide you with thorough training in language and related academic skills, enabling you to best achieve your academic potential at University. These skills include the processes of academic writing, effective and extensive reading strategies, effective participation in seminars and delivery of presentations, and listening to and recording information effectively from lectures. You will also develop the accuracy and range of written and spoken language required to use language effectively and appropriately, with clarity and confidence in an academic context.

» BIOLOGY 1 & 2

These modules will encourage students to develop their interest in biology through study of the molecules of life, cellular processes, energy systems, genetics and systems of life in plants and animals.

» CHEMISTRY 1 & 2

You will study formulae, equations and moles, atomic structure, chemical bonding, redox reactions and thermodynamics. These modules will also cover chemical equilibria, acid-base equilibria, reaction kinetics and topics in organic chemistry.

» CORE MATHS & STATISTICS

In these modules you will learn to recall arithmetic concepts, develop your knowledge of algebra and calculus and deepen your understanding of the role of mathematics in the world. You will study the use of graphs in solving equations, derivatives and integrals and concepts of statistical mathematics.

English Language Preparation

Key Facts

Course length: One and two semesters

Entry points: June and September

Term dates:

1 Semester programme: September

2 Semester programme: June

Progression to:
International Foundation Year

Age: you must be at least 17 years old on the first day of your academic programme at the International Study Centre

English language entry requirements:

For Business, Law, Economics and Social Sciences IFY and Life Sciences IFY

1-semester ELP: IELTS 5.0 (minimum 4.5 in all skills)*†

2-semester ELP: IELTS 4.5 (4.0 in all bands)*†

For Engineering and Physical Sciences IFY

1-semester ELP: IELTS 4.5 (4.0 in all bands)*†

* If you do not need a Tier 4 visa, or are exempted in another way, we can accept equivalent proof of English. An IELTS test will be required following English for Pre-Masters programme for students needing a Tier-4 visa for Pre-Masters Programme, where you will need to achieve 5.5 overall (minimum 5.5 in all subskills) to start the Pre-Masters programme.

† English for Pre-Masters students at the University of Surrey International Study Centre will not need to take an additional IELTS test for progression to their Pre-Masters Programme. Students will be assessed on their Academic English Skills (AES) grade at the International Study Centre (they will be required to achieve a minimum of 40% in all skill areas)

If students need to improve their English language to reach the required level for the International Foundation Year at the International Study Centre, they can take our English Language Preparation programme.

At the end of your English language course, students will start the International Foundation Year, providing they have achieved the required module grades.

Progression Scholarships worth up to £10,000

Students who join an International Foundation Year or Pre-Masters Programme in September 2021 and January 2022 can take advantage of progression scholarships available exclusively to students progressing to the University of Surrey from the International Study Centre.

Clubs and Societies

UNIVERSITY IS THE IDEAL OPPORTUNITY TO BREAK OUT OF YOUR COMFORT ZONE AND FIND A NEW HOBBY, OR PURSUE AN EXISTING PASSION WITH LIKE-MINDED PEOPLE.

Societies are made up of groups of students interested in a common theme – maybe you all love baking, share a geographical location or have similar religious views.

Whether you want to share in the magic of Harry Potter or reckon the Archery society may just hit the mark, joining one of our 140+ societies (or starting your own) will help you make friends and memories for life.

Manor Park Campus

Manor Park Band F

Manor Park Band D

Student relaxing in Manor Park accommodation

90% OF STUDENTS
JOINING IN SEPTEMBER
2019 RECEIVED THEIR FIRST
CHOICE OF ACCOMMODATION

Our accommodation

PRICES START FROM £72 PER WEEK, FOR SHARED SPLIT LEVEL ROOM. PRICES INCREASE DEPENDING ON ACCOMMODATION TYPE, ALL THE WAY UP TO A STUDIO FLAT OPTION FROM £220 PER WEEK.

TYPICAL ROOMS AND FACILITIES (ACCOMMODATION BANDS D AND E)

MANOR PARK

Manor Park offers well equipped en-suite rooms in shared flats of six, seven or eight students, sharing a kitchen-diner. Manor Park is located one mile (1.6km) from the main Stag Hill campus, a 20-minute walk or five-minute bus ride. There is a subsidised bus service, giving access to all local routes and ample storage facilities for bicycles. Manor Park is close to the Surrey Sports Park Tesco superstore and Royal Surrey County Hospital, and has its own launderettes, Reception Building and common rooms with TVs or games facilities for residents. Manor Park has no parking for residents, with the exception of bays for use by wheelchair users.

UNIVERSITY COURT

University Court has more than 300 en-suite rooms in 17 houses with two or three floors of 10 to 15 students sharing a kitchen/diner. Located at the edge of campus closest to the town centre and railway station, and sharing a communal TV room and Reception with nearby Stag Hill Court.

MANOR PARK AND STAG HILL CAMPUS - ENHANCED EN-SUITE ROOMS

Rooms are approximately 50% bigger than rooms in lower grade so are ideal for students who have more belongings or want more space to study or relax, but are limited in number. The rooms are mainly located at Manor Park with a few on campus in International House and University Court.

These rooms have a double bed, and an en-suite shower room with toilet and washbasin. Most are located in flats of six lower band rooms sharing a kitchen.

Manor Park Band E

COST OF LIVING

Item	Average cost Guildford
Meal, inexpensive restaurant	£12.00
Cappuccino	£2.59
Bottle of water (0.33 litre)	£0.71
Monthly travel pass (regular price)	£76.09
Petrol (1 litre)	£1.24
Fitness club monthly fee	£39.00
Cinema ticket	£10.50
Monthly internet (60 Mbps or more, unlimited data, cable/ADSL)	£41.50
Average on campus accommodation cost per week	£72- £225

Please note that all prices are approximations of averages sourced from numbeo.com/cost-of-living in January 2019 and are subject to change.

Please visit isc.surrey.ac.uk/international-study-centre/accommodation for more information on rooms and pricing.

紙筆考 vs 電腦考

流程	考試 長度	雅思電腦考試	雅思紙筆考試
聽力 Listening	30分鐘	30分鐘(直接電腦頁面鍵入答案,無須謄寫) 聽力結束後會另外有2分鐘 檢查答案 <ul style="list-style-type: none"> 共四段對白或獨白,每段含10題,共40題。 第一、二段以日常生活對話為主,第三、四段則為學術討論。 題型包括選擇、是非、簡答、配對。 	30分鐘+10分鐘謄寫答案
閱讀 Reading	60分鐘	按滑鼠右鍵,即有反黃(highlight) 跟作筆記(taking notes)的功能 可以使用 <ul style="list-style-type: none"> 共40題。 學術組包含三篇文章,每篇約800-1000字,文章取材學術刊物;一般訓練組包含3-6篇短文,含公告、廣告、簡介等。 題型包括選擇、是非、簡答、配對。 	使用鉛筆畫下重點關鍵字 跟作筆記
寫作 Writing	60分鐘	打字可以使用複製貼上(copy & paste)功能,並且還有自動 統計字數功能 <ul style="list-style-type: none"> 需完成長、短兩篇文章。 第一篇文章建議寫150字。學術組考題為圖表敘述及比較,一般訓練組則為書信撰寫。 第二篇文章建議寫250字。學術組與一般訓練組之考題均要求考生提出自身觀點作論述。 	使用鉛筆寫作文,並留意 兩篇作文的文章長度
口說 Speaking	11-14分鐘	考生輪流入場與考官進行一對一、面對面口試。 內容包含三部分: <ul style="list-style-type: none"> 自我介紹與生活化交談 個人意見表述與獨白 考官與考生進行深入討論 	

雅思電腦考試

Computer-delivered IELTS
results now available
in 3-5 days

三大亮點:

- 更快拿到成績! (最新: 3-5天)
- 更多考期選擇! (20-30場)
- 更充裕的報名時間!
(考前3天還能報名)

雅思電腦考試廣受考生喜愛!

前三大選擇雅思電腦考的原因: (從2000多位考生的回饋統計)

1. 我可以更快拿到成績單
2. 我喜歡打字勝於寫字
3. 我有更多考期可以作選擇

申請相關資訊

申請必備文件

1. 申請表繳交
2. 有效護照彩色影本
3. 英文自傳 300~500 字
4. 高一、高二英文版成績單
5. 雅思 UKVI 成績單 (可後補)
6. 校內教師推薦函一封 (可後補)

自傳寫作建議

1. 解釋為何申請科系與到英國求學原因。
2. 描述在你生命中對你影響很深的事件或人，影響為何？
3. 描述你在學校、家裡或社交圈中的責任或扮演角色。
4. 描述你對未來的規劃，ex：完成學業後求職或求學。

獎學金面試

時間：2021 年 11 月 和 2022 年 05 月 (詳細日期將另行通知)

建議欲參加獎學金面試的同學，請於 1 個月前完成申請。已申請上的學生方能參加獎學金面試，面試結果不影響錄取與否。
