AIR WEAPONS OVERSEAS LEARNING JOURNEY-TAIWAN

On 28 May 2017, a group of 17 students and 3 teachers from the Dunman High Air Weapons Club embarked on their very first overseas trip as a CCA with much anticipation. The main objective of this 6-day learning journey to Taiwan was to allow the students to experience and immerse in Taiwanese culture, as well as learn how historical events have shaped the political climate and social fabric of Taiwan. In the process of learning about the history of Taiwan, both teachers and students grew to develop a greater appreciation for the history of Singapore, in particular, noting how our Singaporean forefathers had similarly fought hard for our tiny nation's independence.
