

BISHOP O'BRYNE

About the School

Bishop O'Byrne High School is a Catholic Community of Caring where staff and students strive to develop the spiritual, academic, social, creative, and physical potential of each student in cooperation with parents and the community. We believe that learning occurs best when it is placed in the context of a healthy, caring relationship involving all stakeholders in the teaching/learning process with teachers, students and parents work together to provide a solid structure for learning and where a productive attitude of learning permeates the school.

Facilities

Bishop O'Byrne offers modern learning facilities such as a theatre, learning commons, commercial kitchen, gymnasium, fitness centre, science labs, mechanic shop, woodworking shop. The school is attached to a larger recreation complex which includes additional gymnasiums, swimming pool, ice rink and a climbing wall.
